## SPA FACILITIES

Andaz Tokyo Toranomon Hills offers a spacious Spa and Fitness facility spanning over 1,350 square metres on the 37th floor. Overlooking the Imperial Palace, the Spa features a 20-metre swimming pool with a unique carbonated pool and floating jet pool, five spa treatment rooms and a full range of the most advanced fitness training equipment.

### **A** Water Area

#### **Pool**

A 20-metre pool with three lanes (depth 1.3m) created using select fine Japanese stone gives the feeling of an infinity pool flowing down into the Imperial Palace.

#### **Carbonated pool**

A therapeutic pool, using carbon dioxide to create micro-bubbles, provides great health benefits and is known to improve blood circulation and treat conditions such as high blood pressure and heart disease.

#### **Floating jet pool**

Jets from the bottom of the pool create a floating sensation, relaxing muscles and improving blood circulation.

#### **Whirlpool bath**

The jets have a relaxing effect on the body, softening stiff muscles and recovering the body from fatigue, while warming the body from the core.

### **B** Spa Area

The Spa features 5 treatment rooms. At Andaz, where personal style is regarded in every experience, we offer treatments customized to each guests' individual and unique preferences. Each treatment room is equipped with a private shower and restroom.

**4 private spa rooms** with private showers and restrooms

**1 private spa suite** specially designed for 2 persons, with a private shower & restroom and a deep soaking bath
