ANDAZ TOKYO

Summer Ice Bar Cocktails

The season to best enjoy the Rooftop Bar is upon us.

Conjuring up images of summer moments from around the world, mixologists are creating frozen ice bars served in refreshing cocktails.

The Provence Ice Bar is inspired by the picturesque lavender fields of Provence while the British Ice Bar reflects a British summer garden as fresh raspberries, quintessentially British, are combined with blueberries.

Relax, sink into the comfy sofas and savor the warm summer nights at the Rooftop Bar.
